help these districts have adequate facilities than what we participate now, and I don't think our participation now is all that significant. But I'm going to continue to listen, I guess. I'm not convinced, for my part, that I'd want to put this on the ballot at this point, but I will continue to listen. Thank you, Senator Redfield, for bringing the bill, and thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Bromm. Mr. Clerk, do you have items for the record?

CLERK: I do, Mr. President. A series of adds: Senator Dwite Pedersen to add his name to LB 226; Senator Erdman to LB 172, LB 512, LB 566, LB 660, LB 709; Senator Smith to LR 2; Senator Redfield to LB 607. That's all that I have, Mr. President. (Legislative Journal page 554.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Mr. Speaker, recognize you.

SPEAKER BROMM: Thank you, Mr. President. I just want to say to the body that the last...these are tough times as we go through January and February and not very many recess days and that has an impact on everyone, but we do have a three-day weekend. I want to say thank you for the good work you've done in the last several days and weeks. The committees have worked extremely hard and that shows in terms of work getting done, but it can also try all of our patience. And I appreciate the way in which you've not only done your work, but the way you've conducted the debate, and I and everyone notices that. So have a good weekend, be safe going home. The weather is not very good, getting worse. And with that, I would move that we adjourn until next Tuesday, which would be the 18th of February, at 9:00 a.m.

SENATOR CUDABACK: You've heard the motion by Speaker Bromm to adjourn until February 18, 9:00 a.m. All in favor of that motion to adjourn say aye. Opposed nay. We are adjourned. Drive carefully and have a nice weekend.
